BOGAN BINGO

Our school’s major fundraising event for 2016, Bogan Bingo, was held last Friday night. And what a wonderfully fun and unforgettable night it was. With over 400 tickets sold the hall at Trinity College was full and pumping!

As everyone who attended can attest it was hilarious!! Everyone definitely got their 'Bogan On' and the bingo was (of course) taken very seriously indeed!
We raised an absolutely incredible total of over $24,000!!

Money raised from our big fundraiser will be going back to our School. More details on how funds will be spent are set out below in a message from the P&F President.

Funding priorities identified by the school

A message from Andrew, the P&F President-

• “I would personally like take this opportunity to thank everyone involved in the planning and undertaking of this event. It was a huge team effort.

• The money raised from the Bogan Bingo Night, together with funds raised from other events this year, has been generally allocated to the upgrading the school’s classroom and recreational facilities.

• Specifically, the two major future funding priorities identified by the school this year are purchase of modern furniture for the Early Childhood classes (Kindy – Year 1), and a Natureplay playground.

• These two large items are in addition to funding of the new Science Room furniture and Literacy and Numeracy Resources that the P&F has already provided to the school this year.

• Over coming weeks, the P&F will be working with the school to determine how we may support the purchase of furniture for Early Childhood classes and the Natureplay playground initiative. Draft Plans for a NaturePlay Playground are being prepared for the school and will hopefully be available in coming weeks.

• If you would like to be involved in the P&F discussions on these funding priorities, please come along to the next P&F Meeting on 7 September. If you cannot make the meeting, and would like to share any ideas, feel free to call me on 0438 861 669.

• In closing, as we race through Term 3, I hope you can take some time to pause and take stock of your life and the people around you.”
