Date.....

To assist the school in establishing the visa status of a child, the Department of Home Affairs have established a website indicating current visa information about families. This website is called Visa Entitlement Verification Online (VEVO).

In complying with the conditions of VEVO registration, the school is required to obtain written consent from the family prior to accessing VEVO information about them.

All of the information below is required in order to access visa information
(Please print clearly):

Family Name:

Student Given Name:

Date of Birth:

Passport / ImmiCard Number:

Country of Passport / ImmiCard:

The school will maintain confidential records regarding this visa information and use the information solely for the purpose of enrolment, educational statistics and Government census requirements.

I hereby give consent for information regarding my visa status to be accessed via VEVO.
